TERMS AND CONDITIONS OF THE RECOMMEND & EARN PROGRAMME "REFERRAL LITE"

Effective from: 26.08.2026

1. General Provisions

1.1. These Referral Lite Terms and Conditions (the "**Referral Lite Terms**") govern participation in the Referral Lite programme operated by **Madison Six j. s. a.**, with its registered office at Slávičie údolie 106, 811 02 Bratislava, Slovak Republic, Company ID No. 56 856 229, registered in the Commercial Register maintained by the competent court in Bratislava, Section Sja, Insert No. 381/B ("**Madison Six**").

1.2. Referral Lite forms part of the "**Recommend & Earn**" programme made available through the crypto4me platform and website ("**crypto4me**" or the "**Platform**").

1.3. Referral Lite allows eligible crypto4me clients to receive a reward for successfully referring a new client to crypto4me. A referred client may also receive rewards for meeting the applicable trading requirements.

1.4. These Referral Lite Terms supplement the applicable crypto4me Terms and Conditions, Terms of Use, policies and other legal documents governing the provision of crypto4me services. In the event of a conflict, the provisions governing the relevant crypto4me service shall apply to that service, while these Referral Lite Terms shall govern the Referral Lite programme.

2. Definitions

2.1. **Participant** means a person with a registered crypto4me account who participates in Referral Lite.

2.2. **Referrer** means a Participant who refers another person to crypto4me using the Referrer's referral link or referral code.

2.3. **Referee** means a person who registers for a crypto4me account using a valid referral link or referral code of a Referrer.

2.4. **Referral Link** means the unique link generated by crypto4me and associated with a Referrer for the purposes of the Referral Programme.

2.5. **Referral Code** means a unique code generated by crypto4me and associated with a Referrer for the purposes of the Referral Programme.

2.6. **Trading Volume** means the aggregate value of eligible trades executed by the relevant Participant during the applicable period, expressed in EUR or the EUR equivalent determined by crypto4me.

2.7. For Referral Lite, eligible Trading Volume includes trading activity generated through supported crypto4me trading functionalities.

2.8. Trading Volume does not include transactions that are cancelled, reversed, refunded, invalid, fraudulent, technically erroneous or otherwise excluded by Crypto4me under these Referral Lite Terms.

2.9. crypto4me's records shall be decisive for determining Trading Volume, subject to applicable law.

3. Eligibility and Registration

3.1. A Referrer must have a registered crypto4me account and successfully complete the applicable KYC verification.

3.2. A Referee must register for crypto4me using a valid Referral Link or Referral Code and successfully complete the applicable KYC verification.

3.3. The Referral relationship is established when the Referee registers using the applicable Referral Link or Referral Code.

3.4. A person who has already registered may not subsequently register as a Referee through another person's Referral Link or Referral Code unless expressly permitted by crypto4me.

3.5. crypto4me may verify the eligibility of Participants and Referees before crediting any reward.

4. EUR 30 Referral Reward

4.1. A Referrer is eligible to receive a **EUR 30 referral reward** for each Referee who successfully fulfils all conditions specified in this Section 4.

4.2. The Referee must:

a) register using the Referrer's valid Referral Link or Referral Code;
b) successfully complete KYC verification; and
c) generate at least **EUR 500 in Trading Volume within 14 calendar days from the date of registration**.

4.3. The 14-day period begins on the date on which the Referee registers through the Referral Link or Referral Code.

4.4. Once all applicable conditions have been fulfilled, the Referrer shall receive EUR 30 and the Referee shall receive EUR 30.

4.5. If the Referee does not fulfil all conditions within the applicable 14-day period, neither the Referrer nor the Referee shall be entitled to the EUR 30 referral reward in respect of that referral.

4.6. The EUR 30 referral reward is subject to the maximum limit of **five (5) successful referrals** per Referrer under Referral Lite.

4.7. Accordingly, the maximum aggregate referral reward payable to one Referrer under Referral Lite is EUR 150.

4.8. The five-referral limit applies to successful referrals for which the Referrer becomes entitled to the EUR 30 reward. Unsuccessful or ineligible referrals do not count towards the limit unless otherwise determined by Crypto4me.

5. EUR 150 Trading Reward

5.1. In addition to the EUR 30 referral reward, a Referee may receive a EUR 150 Trading Reward if the Referee generates at least EUR 3,000 in Trading Volume within 30 calendar days from the date of registration through the Referral Link or Referral Code.

5.2. Trading Volume accumulated during the first 14 days counts towards the EUR 3,000 requirement.

5.3. For example, if a Referee reaches EUR 500 in Trading Volume during the first 14 days, only a further EUR 2,500 in Trading Volume is required to reach the EUR 3,000 threshold within the applicable 30-day period.

5.4. The EUR 150 Trading Reward shall be credited automatically to the Referee's spot wallet after the applicable conditions have been verified, normally without undue delay.

5.5. If the Referee does not reach EUR 3,000 in Trading Volume within the applicable 30-day period, the Referee shall not be entitled to the EUR 150 Trading Reward.

6. Timing and Crediting of Rewards

6.1. Rewards shall be credited automatically after all applicable eligibility conditions have been fulfilled and verified.

6.2. crypto4me may temporarily delay the crediting of a reward where reasonably necessary to verify KYC status, Trading Volume, compliance with these Referral Lite Terms or potential misuse of the programme.

6.3. Any estimated, pending or provisional reward displayed in the crypto4me interface does not constitute a final entitlement to the reward until all applicable conditions have been fulfilled.

7. Prohibited Activities and Abuse

7.1. Participants must not use Referral Lite for fraudulent, abusive, manipulative or artificial purposes.

7.2. In particular, the following activities are prohibited:

a) self-referral;
b) creating or using multiple accounts for the purpose of obtaining additional rewards;
c) creating or operating accounts on behalf of another person for the purpose of circumventing programme rules;
d) wash trading or other artificial generation of Trading Volume;
e) market manipulation or other attempts to artificially increase Trading Volume;
f) coordinated activity designed to obtain rewards improperly;
g) circumventing the five-referral limit; or

h) any other conduct that Madison Six reasonably considers to constitute abuse or misuse of the programme.

7.3. Madison Six may investigate any suspected abuse and may request information or take reasonable measures necessary to verify compliance with these Referral Lite Terms.

7.4. Where Madison Six determines that a Participant has breached these Referral Lite Terms or otherwise abused the programme, Madison Six may, to the extent permitted by applicable law:

a) reject or withhold a reward;
b) suspend the crediting of a reward pending investigation;
c) cancel or reverse a reward already credited;
d) require repayment of an improperly credited reward; and/or
e) exclude the Participant from Referral Lite or the wider Recommend & Earn programme.

7.5. The above rights are without prejudice to any rights or measures available to Madison Six under applicable AML/KYC requirements, the crypto4me Terms and Conditions or applicable law.

8. Changes, Suspension and Termination

8.1. Madison Six reserves the right to amend, suspend or terminate Referral Lite at any time for legitimate business, operational, technical, legal or regulatory reasons.

8.2. Where appropriate, changes shall be published through the crypto4me website or other suitable means.

8.3. Unless otherwise required by applicable law, changes shall not retroactively deprive a Participant of a reward for which all applicable conditions had already been finally fulfilled before the effective date of the relevant change.

8.4. Madison Six may immediately suspend or restrict the programme where reasonably necessary to prevent fraud, abuse, regulatory risk or other material harm.

Final Provisions

These Referral Lite Terms shall be interpreted together with the applicable Terms and Conditions and other applicable legal documents.

If any provision of these Referral Lite Terms is held to be invalid or unenforceable, the remaining provisions shall remain unaffected.

By participating in Referral Lite, the Participant confirms that they have had an opportunity to review these Referral Lite Terms and agrees to comply with them.
